

The International Business Alliance
for Corporate Ocean Responsibility

News Release

GLOBAL LINER SHIPPING VIRTUAL CONFERENCE

World Ocean Council Collaborates with Global Liner Shipping Virtual Conference on the Container Shipping Market (3 - 4 November)

26 October 2020

Global Liner Shipping is hosting a two-day virtual event 3 - 4 November 2020, with the World Ocean Council as partner

This international event is bringing together carriers, freight forwarders, cargo owners, government, authorities, advisers and industry solution providers to discuss the latest regulatory updates, sustainability options, business strategies and more as the world transitions into the new 'normal'.

The event will discuss regulatory updates, trade pattern analyses, business strategy audits, digitization, standardization, investment and finance and provides the opportunity to connect with attendees, speakers, sponsors and exhibitors from all over the world and experience the first ever [Global Liner Shipping](#).

Tune into each conference [session](#) with ease, schedule meetings and put your questions directly to the [speakers](#). The Event is Live Streamed (CET time) (+ 4GST) (+ 5.5 IST) (+8 SGT) & Available On-demand Afterwards

The WOC is pleased to be able to offer a discount to our global ocean business and investment community network.

World Ocean Council (WOC) – The Global Blue Economy Business Organization

The WOC is the international, cross-sectoral alliance for private sector leadership, collaboration and action on ocean sustainability, stewardship and science. Companies from a range of industries worldwide are distinguishing themselves as leaders in “Corporate Ocean Responsibility”, including: shipping, oil and gas, tourism, fisheries, aquaculture, mining, renewable energy, ocean technology and investment.

WOC Members are listed [here](#), a part of the WOC Network of 35,000+ ocean industry stakeholders around the world. The WOC is a registered not-for-profit organization in the US, UK and France.
