WINDWARD SHIPPING JOINS WOC

World Ocean Council welcomes Windward Shipping to the Global Blue Economy Business and Investment Organization

24 August 2021

The World Ocean Council (WOC) is proud to announce that Windward Shipping has joined the WOC, bringing its experience as a shipbroking company involved in the transport of drybulk goods around the world.

Tom Hallett, Director, Windward Shipping stated, “Within our role in the industry and global trade, we are committed to reducing the shipping’s ocean pollution and carbon footprint in any way we can. As we transport goods around the world, our industry must be a part of ensuring the health and productivity of the global ocean”.

As a full-service ship brokerage, Windward Shipping focuses on the global transport of bulk cargoes. Windward Shipping’s team build relationships and connections that are rooted in trust and a passion to change the industry for the better.

Paul Holthus, WOC Founding President and CEO, said, “We are honored to have Windward Shipping join the WOC. We continue to expand WOC’s work with the shipping industry to address key ocean sustainable development challenges and opportunities”
